

"CUSTOMER TESTIMONIALS"

Hi everyone,

As some of you may now, I am an animal fanatic, sometimes to a fault... Anyway, I am sending you a link to something I found, that I LOVE!! It is a local farm (local to me, it is in Derry) that makes soy candles!! I drove up on Friday and met with Lisa and picked up a couple candles to try, needless to say, I will be back! They are FANTASTIC! Much better than Yankee, they burn cleaner, and the fragrance is great! The BEST part of all this?? Part of the proceeds go to a no-kill shelter for horses and animals in Chichester, NH.

Lisa and her husband own the farm, they have two horses of their own, and they board about 10-12 others. Lisa was so nice letting the kids pat the horses, they had a great time!

So, please check out the site, and the next time you go to purchase a candle, please think of Lisa, she will ship anywhere, and for you guys who are local, I have no problem picking them up for you, we get to visit with Lisa and the horses!! This is for a great cause, so please just keep her in mind. www.mariahbfarm.com

Thanks so much!!

Enjoy your day,
Keily

Hi Lisa! I went home on Sunday and lit my candle – it's great! I've lit it every day since then. What a nice product! Thanks for everything,

[Heather](#)

Lisa, We gave one of the candles as a gift and she replied with the comments below:

"Thank you for the fancy candle. I like the nice fresh smell and cute container. So thoughtful!"

Our comments:

"We have not lit the candle as yet but we've take the cover off to get that nice aroma of oatmeal & honey. For now we keep it in the laundry area to freshen it up. We really like the unique label and hand burned wood lid."

Good fortunes to you!

Hey Lisa,

These candles are wonderful! They smell sensational and burn without any black

smoke. The hand branded lids add a nice personal touch. I love having the smells of the farm at home, especially in the seemingly endless winter months when I long to get out and ride. They make great gifts, with the wide variety of scents available, I have been able to find the perfect fragrance for everyone!

I don't know if I told you how much I appreciate your over the top help but I truly do!! I can't wait to get the candles ! We are having an open house on the 25th of Oct so they'll be just in time!! I am very happy your business is doing well, with your kind of help I can totally see why it's a success. Thank you again!

Dear Lisa,

I have just received my second candle order from Mariah B Farm. I can only say that I am more pleased with each new selection that I order! The candles are long burning without any black residue at all. The fragrances have a wonderful long-lasting burning life and make my home a warm, inviting place. The new fall line is just perfect for this time of year and I can't wait to put in my selections for the winter season. I am planning on candles for Christmas as gifts for my family and friends.

I would highly recommend these candles to anyone who loves candles, and loves the price and long lasting burn time that they offer. Yankee Candle better watch out for your great candles!!

Hi Lisa -

I just wanted to let you know how impressed I am with your candle line!

The candles burn beautifully and since they are soy based are essentially "soot free". With a new baby at home, I was convinced I would have to give up my candle addiction since she is so sensitive to any dust or soot in the air. Thanks to Mariah B Farm candles, I am free to indulge...guilt free!

The scents are divine and the burn time is much longer than other candles I have tried. I get more value from your candles than the other high end mall store candles and these days a dollar needs to go as far as it can.

You've made a lifelong customer out of me - keep up the great work!
